“ Mary, my precious sister, was my best friend all my life. Always fun and full of mischief and laughter. Every memory of her makes me smile. She was kind and compassionate, full of graciousness, and comfort in the hard times. I can't imagine life without her.

“ *Mary had a beautiful voice and loved to sing in the church choir. She was joyful to watch as she was always smiling. You felt the joy of the words of the song. The angels will sound even sweeter with Mary!*

“ *My beautiful sister, Mary Lou, was born before I was two years old. There wasn't a day in her life that I wasn't with her in spirit if not always physically. I don't remember life without her. She was my very first friend. And I will love her always. My condolences to Paul and their entire family.*
