“ *What a Model Mother-in-law Mary was with our Julia and what a true pleasure that was to witness. So thankful for the gift of meeting her and the times spent visiting with her. And she never missed sending a card at Christmas time. Your will have a lot of pain because you have / had a lot love. My sincere sympathy*

“ *I grew up with the Weckback family and have very fond memories of my time at their house. A loving home where childhood friends were always welcome and treated like family. Every time someone serves a little rye bread “pizza” snack it takes me back to 1975 as they were her specialty. My condolences to all of her family and friends.*
