

Mary Ellen Williams

August 20, 1939 - June 1, 2024

On June 1, 2024, at the age of 84, Mom passed away peacefully surrounded by her loving family, after a long life well-lived. Mom is now at peace, reunited with our Lord and Savior Jesus Christ in Heaven. Mom was preceded in death by her husband R. Mike Williams, and her brother John Molitor. We will miss their love and laughter dearly.

Mom is survived by her children Pat Guichet (husband Keith), Peggie Bowles (husband Steve), Diane Walker (husband Troy), Julie Ogle, Sam Null (wife Jean) and Paul Null (wife Yvonne). Mom had 15 grandchildren, 24 great grandchildren and 2 great, great grandchildren. Mom was preceded in death by her 1 grandchild and 1 great grandchild.

What a beautiful gift mom gave us, letting us know that going on to be with God is a wonderful experience. She left us with peace and love in her heart.

Mom lived surrounded by family and many great friends. She loved sunshine, the beach, walking barefoot, and smiling. Mom was an incredible crafter; an expert in knitting, crocheting, sewing, and quilting. The last few years were spent teaching her neighbors and her daughters her tricks.

Mom would want us to celebrate her and to remember how much she loved life, but especially how much she loved her babies.

“ *Mary was my mother-in-law for over a decade. I rarely recall a time when she didn't have a smile on her face and laughter in her voice. She didn't take life too seriously and the love for her children was evident to all. The world will be a little sadder in her absence. May she rest in peace.*

“ Mom I am going to miss you so much, more than these words can say. I regret that we did not have more time.
I feel so blessed that God chose you to be my Mom.
I can visualize you sitting next to your Mom, drinking an ice tea, telling her all about your babies and how much you loved us.
Thank you for loving me unconditionally Mom.
Don't worry about us Mom we will be okay.

Notre Dame Cathedral. She need not. She has built something more magnificent than any cathedral - a dwelling for an immortal soul, the tiny perfection of her lady's body.
The angels have not been blessed with such a grace. They cannot share in God's creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator than any other creatures. God joins forces
