“ *Having just saw Aunt Mary at moms funeral on 12/12/21, this was so surprising. Aunt Mary's red lipstick is the best memory ever and she had it on that day. My oldest two daughters remember that and still talk about it every time she is mentioned. Always smiling and a laugh that was contagious. I loved her dearly.*

“ She was my favorite Aunt. Always happy. I really issues them younger years when we all spent time together at each other's houses, the river and long hot days at the flea market while her and mom looked at every little thing without any rush. I really truly love her

“ We go way back!!!
Moved next door to the family when I was 6.
We all learned real fast of Mary’s whistle!!
You better believe the whole neighborhood knew that whistle and
she better see them kids soon! Lol
So glad I got to run into her in the last few weeks! She was smiling
as usual ❤️
Mary is a piece of our family too.
We will miss you 😊
RIP Mary Worley 🙌
