“ Grandma,

Thanks for the constant love you gave to all over the years. You loved each child you came across. Put a baby in your arms and you were happy. Thanks for loving my babies, and my cousins babies. Thanks for constantly stepping up to help when it was needed. Even when it was hard physically and emotionally. You never left anyone stand in the cold on their own. Thank you for being your grand children's buddy not just grandma. Thank you for all the conversations round the dinner table, with your wonderful cooking! Thank you for the example you always set to persevere in love and kindness. I love you grandma, thank you for all you've taught me through the example you lived.
