“ The first time I met Matt, I remember what a sweet and polite boy he was. Matt had a great smile and super personality. Although his candle burned out to soon, his memory will live on. I can not imagine the pain his family is going through, may God wrap his loving arms around you and comfort you in your time of need. God Bless. Nikki Rich and Brittany Isbell

“ Looking back and remembering all the great time we had seems like they just happened yesterday. I will always miss you, you were the most joyful and loving person I have ever met. You will be greatly missed by everyone you crossed paths with on your journey of life. It breaks my heart that today is the last day I will see you and I won't see your smile or hear your laugh, but I know you will always be watching over us.

“ Dear God, I know that the soul is eternal and can never be extinguished. The soul of Matthew will survive because it is stronger than death. The goodness, the love, the wisdom that Matthew gave will always remain. He will have a permanent imprint upon the souls of his mother and father that can never be erased and I pray that it will continue to guide them wherever they may go.

“ Matthew will be missed by everyone, especially his loving family. His younger siblings, Dalton, Dylan, and Kaelynn, will miss the big brother they looked up to so much each and every day. My parents, Benjie and Tracy, will never be able to fill the void left where their first grandson once was. His aunts, myself and my sisters Erica and Andrea, will never forget the one who first made us realize the strength of love between an aunt and her nephew/niece. Most of all, Matthew's incredible father from who he got his name will forever be missing a chunk of his heart. His heart will continue to break each and every day he has to wake up and realize this isn't a terrible dream. Hopefully the strength of the ones around him, including his incredible wife, Mary, will guide him through this dark time. Matthew's future was bright and he touched countless lives. He will be sorely missed and never forgotten. Love always.

“ Matthew was a great guy! He always made me smile and laugh even on my hardest days. I wish I wouldn't have lost touch with him. No matter how much of a bad mood someone was in he would always cheer them up. I loved Matt's amazing personality! Carol you raised an amazing son. I was so lucky to get to be part of his life for as long as I did! Thank you for letting me come to your house and taking me home even when Matt was in trouble. You are an amazing mother and Ashley and Tyler are also amazing children. My prayers go out to you and your family. Through thick and thin I'm still so happy Matt let me meet such great family and I'm glad you brought such an amazing person to this earth.

“ Carol, I am so very sorry for your loss, I do know what you are going through and what you will be going through for some time. Matthew was a wonderful young man and I know he will be forever missed. No one should have to go through this and it is not fair that lives are taken at such a young age. Please, if you ever want to talk, call me or come over, I will always be here for you. You are in my thoughts and prayers and matthew will never be forgotten. I love you all..
