“ *Hi, Leash. I miss you every single day. That"s the hardest part. The easiest is knowing that someday I will see your beautiful smiling face again. The girls are doing great and you would be proud of them. Each one carries something in them that is so "you". Well, Little Girl, just letting you know you are a blessing to me, one that will never end. Until that day - my tears will still flow - and when I see you again - what a rejoicing time we will have. Love you, MaMa*

“ *My beautiful daughter would be celebrating her 30th birthday with us. If I had a flower for every time I thought of you, I could walk forever in a beautiful garden. I loved you from the first breath you took and will love you until I take my last. You are my child, and I have always, always loved you, unconditionally. I still hear your voice. I am thankful that we were close. I will see you again.

“ My Sweet Little Baby,

It has now been 3 1/2 months and not a day passes that I don't think and experience heartache for you. We were exactly 6 months apart in our birthday dates. This was my first one without you. It doesn't seem fair. You were not here long enough. You're missing too much.

Your Mother and I miss you.

You were supposed to turn the corner at your age and begin real life. I truly believe you wanted to, and were going to do that. Shame on you - you HAD to seek one more escape.

I was thinking of having you over more to begin integrating you back into the family. I will always regret not moving faster on that.

I still have not been able to go through your pictures. Your young life filled us with joy.

I am sorry, but I will always feel I could've done more. The saying "The apple doesn't fall far from the tree" unfortunately does have meaning here, and I should've reached out sooner. I was supposed to know.

Paula and I, along with Cheri, Jayme and our parents will raise your beautiful little girls. I see you in them every day. Your legacy.

I miss you sweetheart, I ALWAYS will. I Love You!

Love Dad!

“ Memorial service is over. It was beautiful. Our hearts are heavy. We loved you so much. Grandpa and I will miss you so much. We will always remember the trips we took and how you made us laugh. We called you "Ali Cat" and you called us Grandpa doggie and Granny Cat. In the bible, the book of Exodus 23:20.... God sent an angel to prepare the way.

"SEE, I AM SENDING AN ANGEL AHEAD OF YOU TO GUARD YOU ALONG THE WAY AND BRING YOU TO THE PLACE I HAVE PREPARED"

Alicia, you are the angel that is preparing our place in Heaven. You will be there waiting to see us.

Your spirit will live in your three beautiful daughters.

Honey, you are now at peace.

good bye, love,

Grandpa Dave and Grandma Carmen.
