“ *65 years ago, and for many years Mike, Steve, Molly, Marcia, cousins Bev and Jean and parents gathered to celebrate Thanksgiving or Christmas devouring roasted turkey and all the trimmings, including home made pumpkin pie. We played fun games and were just plain silly. There was quite an age span of 16 years for the cousins.*

In later years Mike would visit us in Elsberry, Missouri at Merenaught Farm to pick up hay for his horses. He was a baseball pitcher in the minor league. This was very impressive in our younger years!

We will all miss you but know you are now comfortable in God's Heaven.

Love to you from the matriarch of cousins, Bev Lane Metzger

“ *Lots of good memories growing up with him as my big brother (in-law)... Cardinal baseball games, ping pong, tossing a football, etc. He had a great sense of humor and was always kind. My mother loved him. My sincere condolences to his family. Susan Watkins March*

“ Mike was my big brother. On the day that I happily trotted of to Kindergarten, Mike left for college. My two favorite memories of him were when he and a friend took a road trip through the Northwest and Canada and drove home in a convertible with a giant teddy bear for me in the back seat. I think that teddy bear finally "left" when I got married. The other memory is of Mike taking me to several St. Louis Hawks basketball games. I never did understand all the rules but he took me anyway.

I'm heartbroken that he's gone but I know that he and Steve are back together now and probably bickering, although lovingly, again. To me, he was the last of my Lane family. I love you, Mike.
