“ *Mike was such a special person. I've know him since kindergarten at St Cecilia's. Mike had many friends as his friendly disposition and great sense of humor was evident to everyone. My many lunches (and Busch beers) with Mike and Pat over the last few years were so enjoyable just laughing about old times and how we could fix the world if we were in charge. I'll miss Mike immensely as will many classmates at our monthly happy hours. Godspeed Mike you'll be missed by many!!*

“ Pat, Chad and Josh, I cannot express fully how sorry I am to hear of Mike's passing. I hadn't known him nearly long enough, I thought we had more time. I'm so very glad to have found him (my big brother). Though thousands of miles divided us, Ireland v America I like to think we were only a thought away so very near really. I loved him and I hope he knew just how much. Pat I thank you so very much for including our Mam Eileen and siblings in Mike's obituary notice. It really touched my heart and means more than you could ever know. God Bless you all and give you strength to cope with your great loss. My love to you all. Anna..xxxx

“ Mike was one of the first friends I made when I came to St. Cecil's in the fourth grade. Mike, Tom Kaestner and I were in the Cub Scouts and Boy Scouts together and had so many fun times together. When I got sick Mike was one of the first people to send me a get well message. He was such a good guy! I will miss him deeply!

“ Growing up with Mike in the same neighborhood there are so many stories and good times to share with everyone but what I can tell you is Mike was one of a kind. He was loving, funny, a good samaritan and one helluva of a friend. He will live forever in my heart. May he rest in God's loving arms. Jerry Holway
