“ My condolences to the family at this difficult time. While I did not know Michele, it sounds like she was truly an amazing person and loved and respected by many. May her legacy continue on through others, especially my friend Meghan who will continue to inspire others, including her own daughters, just as Michele did for her.

“ I can't express how sorry we are and how hard this is to accept. We ache for all of you. We send prayers for Ron, Meghan & family, especially for little Emma and "Brookie" who were blessed to spend their days with her ~ Aunt Mabellou, Chris, & Frank, Jeb and family. Michele was there with all of us when our mom, Judy was ill, and has always been there for the ones who held her dear. We care deeply, and were all so proud to call her family. Fondly~
