“ *I'm so sorry for your loss! Michelle was a night nurse for my mom, here in Washington. She showed such love and compassion for my mom and our family during a difficult time, and was right there for us when she passed away. I know my mom loved Michelle, and looked forward to Michelle's rotating shift to come around. She was a great nurse! I'm so blessed that we were still friends on Facebook and followed each others lives. I have no doubt that she is now dancing and playing cards with my mom. You're all in my thoughts and prayers.*
