

Michelle N. Stuthers

November 23, 1982 - July 24, 2025

Michelle N. Stuthers, age 42 of Hillsboro, Missouri, passed away in a vehicle accident on July 24th, 2025, while on vacation in Orlando, Florida. Michelle was born in St. Louis on November 23, 1982, to James and Amy Mueller. She graduated from Mehlville High School and went to Meramec Community College. On July 9th, 2009, Michelle Married Daniel on the beach at Panama City Beach, Florida, at a small ceremony with family and friends. On May 24th, 2012, she gave birth to Alice Suzanne, and on September 26th, 2013, she gave birth to Evelyn Grace, the most important part of her life.

Michelle was devoted to her family; if it wasn't helping the girls with their schoolwork, it was taking them to basketball and softball practices, which were the highlight of her day. She was a devoted wife and best friend to her husband, Daniel. She also loved to watch her nieces dance, and if it was for family, Michelle was there. She was always there for her father, James, after her mother Amy passed away, and would do anything she could for her sister Sarah. She was a kind and generous soul who would help anyone she could. She loved her animals: dogs, Simba, Coco, and Frank, a cat named Bob, and her chickens. She loved camping, crafting, and fishing. One of her favorite things to do was to buy and sell things. She loved swimming and loved the white sand beaches of Panama City Beach and Destin.

Michelle is survived by her husband, Daniel Stuthers; her children, Alice Suzanne Stuthers and Evelyn Grace Stuthers; her father, James Mueller; her

sister, Sarah Harrison; and her nieces, Veronica Harrison and Vera Harrison. She is preceded in death by her mother, Amy Mueller; her grandmother, Elinora Mayor; her grandfather, John Mayor; and her grandmother, Mary Ann Kaiser.

“ *Michelle, we met several years ago and drifted apart for a bit, but when we came back together this past year and it was a blast. I just wish we'd had more time to renew our friendship even more. Our laughs over our ADHD quirks, the hustle of cleaning out storage lockers and moving trucks (who else could make it so fun besides you?), the hours spent in the garage working together or even just gabbing and laughing as we caught up--I will miss it all. I will miss you even more. You are a true example of a generous heart and life. You loved large and you loved loud. You made me want to be a better person, too. You will always be in my heart. Love you, my friend.*

“ It's taken me a bit to be able to put my thoughts and feelings into words... Michelle was one of a kind, for sure. She was truly one of the most thoughtful and giving people I had ever met. Michelle was our biggest cheerleader at softball games, and I'll never forget that loud cup that she would blow on and make us all giggle...lol! She always made sure the softball coaches were supplied with plenty of water and caffeine, and that everyone had what they needed. She even surprised my daughter and me with a couple of adorable softball shirts that she had made, just as we were leaving for State Tournament this past summer; I will forever remember the day she and sweet Evie showed up at our door with the surprises, smiles, and hugs. Although nobody could ever replace Michelle, I hope she knows that her girls will continue to be surrounded by love and support always. Until we meet again, sweet Michelle...

“ Michelle used to tell me how much she loved watching Ellen play basketball. She said she was her 2nd favorite player to watch (Evie #1, of course) because of how aggressive she was. We would laugh about it all the time! Michelle always asked Misty and me if we needed anything at softball games, and would never let us give her money for sodas or waters. She laughed big, she cared big, and she gave big. Thanks for sharing her with us. She will truly be missed big!
