

Monika Maria Love

February 2, 1947 - June 22, 2023

Monika Love, aged 76, passed away peacefully on June 22. She was born on February 2, 1947 to the late Joseph and Ursula Wyrwol of Mannheim West Germany. She was preceded in death by her daughter, Christina Love, who departed this world on July 23, 2005 and her husband, Harold Love, who left this world on January 15, 2011.

Monika will be forever cherished and lovingly remembered by her surviving children: Michelle Hardin, Kelly Love, and Thomas Love. She was a devoted mother who poured her love and wisdom into her children, nurturing them to become the individuals they are today.

She leaves behind a legacy of love and family and will be deeply missed by her eight surviving grandchildren and eight great-grandchildren. Each grandchild held a special place in her heart, and she delighted in their laughter and accomplishments. Her guidance and presence will forever be treasured by each succeeding generation.

Throughout her life, she possessed a warm and caring nature that touched the lives of all who had the privilege of knowing her. Her gentle smile, kind words, and selfless acts of love left an indelible impact on the lives of family, friends, and those in her community.

As we bid her farewell, we celebrate a life lived with love, kindness, and joy. May her spirit continue to shine brightly in our hearts as we carry forward the lessons she taught us and the memories she created. Her legacy lives on through her family and the countless lives she touched, and she will forever hold a cherished place in our hearts.

A private graveside service will be held in the fall, Monika's favorite season. The beauty of autumn, with its vibrant colors and gentle breezes always brought a smile to her face and soul.

May her soul find eternal peace, and may each of our memories be a source of comfort and strength for all who had the privilege of knowing her. As we navigate this journey without her, we find solace in knowing that she is reunited with her beloved daughter in a place where love knows no boundaries.

As the seasons change, we hold dear the memories and lessons she bestowed upon us. Her presence will forever be felt, and her love will endure through every passing season.
