“ Sorry to hear of Jim's passing. I remember Uncle Gary bringing me to visit him on the lake, fishing and having a great time. Those are memories I still think back on 35 years later. Rest in Peace.

“ I always enjoyed spending time with my Uncle Jim, whether it was fishing at his lake or sharing stories at family gatherings. I remember one visit at his lake where we spent the day exploring the lake on a boat (it was the biggest boat I had ever been on) and that evening there was a square dance (the only square dance I've ever attended). My Uncle Jim gave me many unique memories and experiences that I treasure. My heart goes out to all my family.
