“ *Myron H. Sherman, Jr.*

“ *Myron worked with us for many years at Cartec before it was sold and he took over O'Keane Automotive. Not only was Myron the best auto mechanic and hardest worker I ever met, he was my friend, and a very good friend at that. He was very smart, thoughtful, and perceptive. I always enjoyed talking with him (often at some length) on the too-few occasions I dropped by for a State Inspection or to pick up vehicles he worked on for me, my wife, and my sons. Myron always had a unique few of life, politics, and the world in general. I will certainly miss him.*

One memory is when I was young and we went fishing, He showed me some fishing tricks. I've loved fishing ever since. Tears of joy knowing he is now with your mom.
