“ *Nadine and Joe were our neighbors across the street when I grew up in the 1960s and 1970s. Nadine was always, always a very sweet lady who was nice to the neighborhood kids (who didn't always deserve it). One summer, Nadine and Joe took Howard Short and myself for a week-long vacation to their lake house in Moberly, Mo. It was one of the most fun vacations that I can remember, fishing and swimming, and using their boat and trolling motor. Nadine and my Mother (Ruth Barnes) were friends and I have nothing but memories of kindness when reflecting back on my time with her.*

“ *Nadine was an inspiration to many--especially when she was faced with health issues and handled them so well. I expect her faith in God got her through many days. Yes, she loved her Cardinal baseball team! We enjoyed visiting and talking about the "good old days" at Parkside. My condolences go out to you, Dennis and Kim, at this time. May God hold you in the palm of His hands and comfort you.*

“ Sorry for your loss. We didn't hear about Nadine until Sunday in church. We know this is a painful and difficult time. If there is anything we can do to help, please let us know. We will keep you in our thoughts and prayers.

“ As a Friendly Visitor from Chapel, I had the pleasure of visiting Nadine many times. She was a joy to visit and had a beautiful infectious smile. We had many good conversations about the family she loved dearly and of course her Cardinals. We had a lot of laughter during our visits, and Nadine shared her love of our Lord. She will be missed!
