“ *If this is the woman who was born as Nahelia Ingham and lived in Bremerton, Washington during her school years, we were schoolmates and friends from the 6th grade through High School. The birth year would be right, I remember her as a very nice girl with a lot of friends. Sadly we lost touch after school but I have thought of her from time to time over the years. I am very sorry to hear of her passing and wish the best to her family and friends. I'm sad that I waited so long to look into her possible whereabouts.*
