“ *Nancy has been my friend since high school. I will never forget her or the times we had. She was in our wedding. I was in hers. We got together whenever possible. She was full of life. So very caring of others. She would call and check on me at times. She was one of the few friends who loved you no matter what. I will miss her so much. I know her family is in shock. Please know she loved you all very much. Her family and friends were her life. God Bless! Vicki Egan Capstick*

“ I have known Nancy for 42 years, I was immediately drawn to her and her best friend Patty. They were the Life of the party and when you were with Nancy there was never a dull moment. We did loose touch over the years, after marriage and children... but once we reconnected, it was like we never missed a beat! Whether we were at a game, event or concert, there was tons of fun to be had! I can't begin to express in words what Nancy means to me. Our last game together, exactly one week before of her passing and our last text one day before was I love you Doll, and her saying I love you Karen
💔 I am beyond broken and I love you Nancy~my friend till the end
💚🍀 I know you are shining down on us

Nancy was a Facebook friend for the last few years. She had a passion for life and the Cardinals baseball team attending many games and events along with the St. Louis Blues team. Her greatest love was for her parents she was caring for, daughter Shannon, and grandson, Jordan. She sent so many good thoughts my way even though I never met her in person. She had many friends who will miss her dearly. My condolences to her brothers and the rest of her family and all of her friends. RIP dear Nancy. Gone way too soon. Susan Anderson, Freeburg, Il.

“ *So very sorry to hear of Nancy's passing. Prayers for her family and friends. I never got the opportunity to meet her in person. But talked often to her on the sports pages online. She was a very dear person and will be terribly missed. Red candle for our Cardinals. Blue for the Blues. She loved both!*
