“ Hello, It seems that I am a relative and belong to this Brym family. My name is Bettina Nellen, I am the daughter of Brigitte Nellen, nee Broll. Hildegard Broll, nee Brym was the sister of Artthur Brym. They were 9 siblings, Helene Brym, Paula Brym, Elfriede (Friada) Brym, Arthur Brym, Hans Brym, Rudi Brym, Hildegard Brym and Maragrete (Grete Brym). They lived in Gleiwitz in the family was separated during second world war. I would appreciate to hear more as all siblings are dead and only the daughter of Helene Brym, Lydia is still alive. I am trying to find out more about the family. Who could support? All the best Bettina Nellen
