“ *Nelda was one of our first neighbors, and what a wonderful 50+ years it has been knowing her. She was the most Christian, kind, generous, understanding person. And she was great fun, also. We had some really fun and crazy times.*

“ *I'll always miss Aunt Nelda's warmth for all. Her ability to make others smile on their worst day with ease, was simply indescribable and nothing short of incredible. She was the funniest, classiest, smartest lady I've known in my life. Aunt Nelda and Uncle Glenn taught me so much just by being the good people they always were and it was a real privilege to have them in my life, learning how a marriage should be. I thank God for the time I had with them and will always be thinking of them. I'll always miss you Aunt Nelda.*
