“ Our thoughts and prayers go out to all the family of Joe, Claudia Jane, Darnell, and all the rest who loved this man for his kindness, wit, and love of life. He will remain in our hearts forever, and the memories of him will be sweet. He visited us in California when my children were young and we had a laugh with him, a meal, good conversation and joking around and then he was off on the road. We'll miss you, Joe! Hugs and kisses from all of us to all of you. Alice, Greg, Tom and Natalee Wiebe. On behalf of Mom (Hilda), I know she would want to send her love to all of you too, for in spite of calling her "baby" which she hated, she dearly loved Joe and enjoyed his company whenever he was around, and he was kind enough to try to be around for her from time to time. He was a good man, a good hearted man, who loved everybody. Love and kisses from Hilda, as well.
