“ Jerry always had a smile for everyone and when he was around Beth he would beam. I remember the day you got married and how he watched you and was so proud of you. There are no words that can take away the hurt right now but in time the hurt will lessen and the beautiful memories will take it's place. May he rest in peace.

“ To My Loving God Child Niole:

*Forever in our hearts they'll stay*

*Our loved ones, though they've gone away*

*We'll always keep them near and dear*

*Remembering them we'll shed a tear.*

*But we know it's best this way*

*God called, they answered on their day*

*They're free from this world now, we know*

*Such a special place they got to go.*

*Our memories will keep us warm*

*Will comfort us through all our storms*

*Memories of the love that we shared*

*The way we loved, the way we cared.*

*Forever in our hearts they'll stay*

*They'll own a special place in us always*

*But we know we'll see them once more*

*In Heaven above, forevermore"?*
