“ *Max, this is a very belated condolence. I have tried a few times to post on this site, but unsuccessfully. I am so so sorry for your loss. Just recently heard about it. I cant imagine the pain and heartache you have been through. I hope by now you are doing better. May Alicias memory be a blessing to you and your family. Take care, Charlene*

“ Sweetheart, you would've been 32 earlier this month. Your 2 oldest Daughters and myself said a prayer. I refer to you when it is appropriate. They will always remember you. Genna was over a couple of weeks ago. We all had fun together. Like you, they are so uninhibited. I heard you referred to them as "Triple Threat"! How right you are!

Love you!

“ Dear Max,

Today's technology allowed me just today to hear of the passing of your beautiful daughter Alecia. How tragic. I'm so sorry. We were friends once and our daughters were always number one to each of us. Words can't express my sorrow for you and Alecia's Mom and her daughters. I'm just so sorry for your loss. Our lives have moved on from knowing each other, but my heart aches for the sadness you must feel. Please know I'm praying for all of you and I wish you the best as you try to carry on. Jeannine

“ Sweetheart,

It's been just over 2 years now. My heart still aches. The day will come when I can devote extended time to rejoice in your short life. That time is not yet here. I'm sorry, but prolonged thoughts make me too sad.

Love,

Dad!
