“ I blink and remember all the times we would go camping with the family, getting yelled at by dad because we had his speakers too loud, begging you're parents to take us place after place until I got my license and we went everywhere in my go cart, watching Hannah Montana and ordering pizza in change.. I'll never forget you're contagious laugh and adorable smile, or always being told we looked alike. You had such a beautiful soul, you were such a great aunt to Jack all the times we got to babysit him, and all the times we got to skip school together and we'd walk to subway while everyone was at school.. you could walk into a room with tence and break it all up with just one laugh. You were always there for me when I needed you even when I became busy and couldn't hangout.. heaven gained a gorgeous young lady, that deserved a longer life but one day we will all see you again and I'll be waiting for that baby girl. I love you baby girl.. I'll never wake up believing this is real.. shine bright like a diamond up there princess👼 we all love you and and will cherish all the memories and laughs we do have of you.
