“ *Lulu; Sandy and I just found out about your Mom and can't say how sad that made us. She was such an important part of our lives. She is the reason Sandy and I met and now we've been married for 34 years. She was a big part of our children's lives, and taught them so many wonderful life lessons. Stephanie lives in LA and is a VP at Warner Bros Studios. Justin is a fire-fighter paramedic in Edmond OK, and Kate was in the wine business in Napa until she had a couple of children in the last 2 years. She and her husband/kids moved to where we now live in Franklin, TN. We'll never forget your mom, or you!! (I even survived teaching you how to drive) May you find peace in your memories and love!!*

“ *I will always remember your quirky laugh and smile. We shared the love of crafts and decorating for the holidays. We meet through marriage but stayed friends after that bound was severed. Pal I know your finally free of worry and pain and in the loving arms of our Lord.*

“ We moved to Luckystone Ave. after we got married, right next door to Pal. Soon after, we were blessed with our first daughter, Katy. Pal watched her until June of 1984 when we moved away. We will always remember Pal as a great neighbor, great friend and a wonderful babysitter.
