

Patricia "Pat" Fouts

July 19, 1942 - February 17, 2026

Fouts, Patricia (nee Beck) of Cedar Hill, Missouri, was born July 19, 1942 in Baltimore, Maryland to Joseph and Agnes (nee Redel) Beck and entered into rest Tuesday, February 17, 2026 in St. Louis, Missouri at the age of 83 years.

Patricia "Pat" was a devoted wife, a caring mother, and a loving Nan whose warmth touched everyone she met. She truly never met a stranger—her kindness, easy smile, and genuine interest in others made people feel instantly welcome. Pat loved the simple joys of life: baking for those she loved, getting lost in a good book, crafting with care, and cheering passionately as an avid sports fan. Her home and heart were always open, filled with laughter, creativity, and the comforting feeling of being truly cared for.

For 21 years, Pat dedicated herself as a social worker with the Department of Social Services, living out her calling to serve others with compassion and integrity. Her strong faith guided her life and inspired her generous spirit, which was also reflected in her volunteer work with Feed My People. Pat gave selflessly, loved deeply, and served faithfully, leaving a legacy of kindness, service, and love that will continue to live on through all who were blessed to know her.

She is preceded in death by her parents, Joseph and Agnes (nee Redel)

Beck; and her husband, Lester “Les” Fouts.

She is survived by her daughters, Stacey (Chris) Gottman and Amanda Fouts; and her adored grandchildren, Walker (Nina) Gottman, Trey (Scout Marks) Gottman, and Sullivan Miller; siblings, Donald (Aline) Beck and JoAnn (Rick) Carletti; along with numerous other extended family and friends.

“ Actually, a lot of memories! Walmart visits, phone calls looking for Amanda because Sullivan wouldn't let her fix her hair before school, monkey bread, but my favorite was when we went to sing Christmas carols at her house for her and Sullivan. So happy Pat is no longer in pain! Peace to your family!
