

Patricia Jean Hays

September 14, 1955 - October 29, 2022

Hays, Patricia "Patti", of Flagler Beach, Florida, was born September 14, 1955 in St. Louis, Missouri. Daughter of LeRoy and Bonnie "Betty" (nee Altemeyer) Stark. She entered into rest Saturday, October 29, 2022 in Palm Coast, Florida at the age of 67 years 1 month and 15 days.

She is preceded in death by, her parents,

And three siblings, Donna Perkins, Christa Scanlon, and Cynthia Miller.

She is survived by;

Four siblings, Peggy Jane (nee Baugh) Ochs of Flagler Beach, Florida, Pam (the late Ray) Toth of Fenton, Missouri, LeRoy (Barb) Stark of Robertsville, Missouri, and Richard (Karen) Stark of House Springs, Missouri,

Her daughter Tracy (Marcus) McDonough of Chulouta, Florida

Two grandsons, Brycen Dillinger (16), and William McDonough (4),

along with numerous extended family and friends.

Patti was a loving mother, memaw, sister and friend. She was extremely

devoted as a single mother and loved her family fiercely. Her desire to provide and give to those she loved made her extraordinary and she always put the needs of others above herself. Her grandbabies were her world. You would regularly find her cheering the loudest at their baseball games or in the pool with them splashing about. She adored them as they did her. The belly button finder was always sure to bring about lots of belly laughs. Patti was a dedicated employee and loved her job and team at Express Scripts. She always aimed to please and support her co-workers any way she could (sometimes with late nights and a lot of on call). In life she worked hard and played hard, between family, friends, getting her masters, her job, cruises, and her love of ship captains, she lived life to the fullest and always brought joy and smiles to those around her. She will be fondly remembered and dearly missed by all who knew and loved her.

Patti was very passionate about raising awareness and funds for cancer research. She participated in several walks and fundraising events in support of her grandson Brycen who battled brain cancer at an early age. In lieu of flowers donations can be made to:

“ *Patti's loss is unrecoverable. For me, Patti/Peggy are my role models and it is never going to be easy to address Peggy (only) instead of Peggy/Patti. While working late nights,Patti made sure to remind me to get enough rest while she worked more hours than me which showed how kind she was.My heart goes out to Peggy and I hope that she knows I am available for her anytime. While Patti's loss is unbearable, I take comfort in knowing that she is watching over Peggy.*

Stay strong Peggy.

“ Dear Patti,

Our thoughts and prayers are with you and your families during this trial & tribulation. You have gone too soon and will be dearly missed.

You were ALWAYS there whenever there is a need of DBA resource, you and Peggy were one of the first to volunteer. You were ALWAYS there to help with anything last minute, no matter if that made you change your personal plans sometimes. The whole team could count on you anytime.. and you did that with a smile!

You were our go-to person for any issues ever happened in past, somehow you would know about it and share with the team. You ALWAYS have the love for learning & staying busy and your hard work ethic rubs off on the team.

From the bottom of our hearts, Thank You for all that you have contributed to our Oracle DBA Team. May you Rest in Peace and may the Lord keep watch over Peggy & your families!!!

*Sincerely,
All Your Colleagues from Cigna's Oracle DBA Team*

“ *Patti and Peggy were more than co-workers, they became close friends. Patti and Peggy were/are the epitome of what a good database administrator should be. And Peggy will, I'm sure, continue the Twin tradition. Peggy, my heart breaks for you and your family. Please know that you can reach out to me for support at any time. I cherish the friendship and memories that we shared. Take care.*

“ My prayers and sympathy go out to the family of Patti and my sincere condolences go out especially to Peggy. I have worked with both of these wonderful people in the past and was always given the professionalism at first and then after the resolution we always stuck around on the call to chit chat a bit. Patti and Peggy were like peas and carrots socially and professionally. Patti will truly be missed by all but I do believe her entire family now has a guardian angel to watch over them and to hold and hug them during this difficult time of grief. God Bless!!!

“ As a co-worker of Patti and Peggy, you couldn't ask for better people to work with. My only complaint was trying to tell the difference on the phone on which one you were talking to. I didn't really matter since both would go above and beyond to help you even if they didn't know the answer (which was rare they didn't know the answer). Patti leaving us will leave a huge hole in our team that will never be filled. - Dave Hastad
