“ *Deepest condolences to the Lutes family, I had the pleasure of assigned seating at Fireman's Fund and was placed next to Pat. I am grateful for being assigned next to her, she was a lot of fun. She would help you in any way possible and probably give you the shirt she was wearing if needed. Loved hearing about her nieces, and stories of her and Pam. I wish I could have made it to the viewing but I didn't know when it was until today. Love you Pat, thank you for always supporting me, being kind and reminding me to enjoy what I have. Lord gained an angel. ❤️*

“ I’ve had many years of fun with Pat. Some of the best times were when we were kids and she and her family came to Sam A. Baker camping. We would always go hang out with them. Other great times were spent together at our Grandma and Poppy’s House or our Aunt Hazel’s house with our cousin Becky. These last few years we have been getting together for a yearly “Cousins Weekend”, laughing and telling stories about all the thing we had done over the years. Patty Ann was one of the Fab Four along with Pam, Becky, and me. You will be forever one of us, in our hearts and in our thoughts.
