“ *Our dearest Patty,
You will be so missed by not only Darick, Barb, and Larry, but by our whole family. I am going to miss the sunshine you bring into a room with your presence and smile. We will miss you joining us on family gatherings. Darick and I are going to miss our outings. I loved singing in the car with you with oldies tunes and gospel music. You always knew the words. Red Robin restaurant will never be the same. I would sing Red Robin and you would end with the "yummm." My most favorite picture of you and Darick was taken at the Butterfly House. We had a good day together. Darick will always love you. You have been part of our family for over 14 years. We miss you already, but we know that in God's time, we will see you again precious girl.
Love from Darick, Barb, and Larry*

“ *Patty was the most loving person i know, she loved to help anyone with anything, her and i sent hours putting puzzles together. she liked when we did crafts together, we had some planes to work on some. She loved when staying over at our house and david made her pancakes for breakfast. Patty loved christmas lights, we planned to see the park lights in ofallon, but patty became immobile, Patty did get to go to branson to see the christmas lights with sister wanda and rose a few weeks back. Patty spent her last days at home with her loving sister rose who we all appreciate and love for loving and doing a great job caring for her. Patty seen all people equally in size, color, and abilities. They was perfect in her eyes. She always had a smile on her face, and you couldn't help from smiling back at her. Thats what made patty so special to our family. Patty will be deeply missed by so many. We love you patty! Your sissy*
