

Paul Gerard Breeden

July 3, 1972 - March 24, 2022

Breeden, Paul Gerard, age 49, of St. Ann, MO entered eternal rest March 24, 2022. Beloved son of the late Francis Breeden and the late Agnes Breeden (nee Schweier); fantastic brother of Brice (Debby) Breeden, Maura Wischmeyer, Mark Breeden, Celia Pearson (Dave Buck), Kathryn (Gary) Steyer; world-class uncle of Corey (Maggie McCoy) and Chad Wischmeyer, Eva Pearson, and Luke Steyer; dear great uncle of Aria and Ian Wischmeyer; friend to many.

Paul, a graduate of Ritenour and Central VPA High Schools, went on to attend the fine arts program at Washington University in St. Louis. He won a multitude of awards for his art, but Paul did not create art for awards, he did it because it was his passion.

Paul was a Renaissance man. He was extraordinarily bright and a gifted artist and author. A lifelong learner who adored reading and had a thirst for knowledge. One of his greatest joys was being a mentor to his niece and nephews. He taught them about art, history, philosophy, science, but mostly about love of learning.

This world was never meant for one as beautiful as you...

A graveside service will be held on Saturday 23, 2022 at 12 p.m. at Calvary Cemetery in St. Louis City.

“ *Paul was quite simply one of the most intelligent friends I've ever had. We talked and talked about literature, music, history and politics, and he had a keen sense of humor that always made the talks enjoyable. We were about the same age so we had a shared culture to reference and we liked a lot of the same artists and writers. I felt like Paul was my friend right away and his kindness will be one of this things I will miss about him most. He was always helpful and insightful to friends and strangers alike. Best wishes, my good friend. Matt*
