“ *So sad to hear of Paul's passing. He helped me thru some painful years but his positive upbeat demeanor always made the adjustments painless. There is a big hole in the Lumpkin family but his laugh I'm sure still echos in their ears. Blessings.*

“ Hi Janet,  
Sorry I was unable to come and pay my respects. I had my last lesson with Kevin on Tuesday. Been going for 10 years, I will certainly miss "Fun Tuesdays" . It was also a pleasure seeing you there and getting to know you. So very sorry for your loss. AS your sadness lessens you will think back about all the good times you had and it will bring a smile to your face. Take care  
Sincerely,  
Steve Dickinson

“ Just so sad! So many fond memories! I will never forget all the 4th of July parties of swimming all day, eating and the watching all the Dad's shooting fireworks off in the road. I had a really good visit with Paul and Janet in July and I am so thankful we were able to visit them!

“ Sending thoughts and prayers to the entire Lumpkin family. When I went to visit Dr. Lumpkin before I opened my office in Pacific, he welcomed me with open arms. He shared all about his journey as a chiropractor in Pacific with me and why he put the American Flag out everyday at his office.

So, tomorrow, on the day of his visitation, I will have my American Flag out at my office in memory of such a sweet man and dedicated chiropractor.

I know our small town will miss him greatly, but so will my profession. It makes me so sad to know that he doesn't get to be in his office adjusting everyday anymore.
