“ To all my Pennington cousins: I am so sorry that Abe has left us behind as he goes on to his new life. Ronnie, Abe and I have always shared a special bond since we were all born in the same year (March for Ron, August for Abe and October for me, 1951) and the three of us and Bob as the only grandkids Grandpa Hammond saw before he passed on. I am sending a virtual hug to all of you, as I feel that with my health and Joe's I shouldn't take the chance of meeting with all of you, because I know that there is no way I can keep from hugging all of you. I'll just have to send all my love and hugs to you with a virtual hug until we can all meet again after Covid-19 is over. Know that all my love and sympathy go with you all.

All my Love,
Yvonne (Hammond) Foran (Von)

“ I will miss Paul so much, his smile and his sweet personality. Every time I walked by him I would check his oxygen, not just that his nasal cannula was in & the tubing was connected to his tank. No, I had to follow the tubing from his face to the tank, he might have 2 different sets of tubing with the ends of each one under him. I'd get him all straightened out, laugh and ask him what I was going to do with him. He'd thank me for always taking care of him. I could go in his room, get him hooked up to his concentrator, come back 5 minutes later & he'd be wrapped up in his tubing like a pretzel. I'd just laugh as he grinned at me. I will genuinely miss his face, the world was a better place with him in it ❤️
