“ I have known Paula since our husbands worked and roomed together in 1965. We married and Tom was our bartender and was told he fell into the door of her apartment instead of his own. Loved Paula for her love, laughter and southern flair. We have kept in touch through the years and even spent a night together or two in recent years. I may not get to come to say goodbye due to my husband's health but I will be thinking and praying for you all. Love.

“ Paula was a much loved cousin by me, my sister Karen, and brothers Gary and Rex. When we were kids she was always fun to be with and she could play sports with the boys. Our best wishes and condolences to Paula's family.

I worked with your mother at Ralston Purina in our twenties. What laughs and crazy times we had. She was a funny and caring lady. Soo many laughs. I was with her when she met Tom - remember it well. Fun memories. Rest in peace and love. Carolyn Potter

My heartfelt sympathy to Paula's children, grandchildren, and siblings. I know how much you all loved her (and she loved you); and how much you will miss her, but I also gather, from what I have heard, that there are many stories and warm memories that will be shared and warm your hearts for years to come. I regret that I didn't get to see more of Paula after we were adults, but I have many fond memories from those growing up years. She was always fun to be around, with her warm smile and twinkle in her eye, and bundles of energy! Cute little cousin!
