“ *Sunday, January 11, 2014 To Pearl and Everett's Children and their families. It was with great sadness I learned of Pearl's passing. I have fond memories of Pearl and Everett coming to St. Louis from England with Lorri and Michael, and then adding Shari to their family. Time and events over the years reduced our connections, but I continue to hold memories that I will always remember with fondness. My sincere sympathy is with all of you at this time. Love and support each other in the days to come. Betty Schultze, St. Peters, Missouri*

“ *I'm so sorry to hear of Pearl's passing. What a wonderful neighbor she was for my years living on Geyer Rd, just up the hill from her and her family. Over many years, we've stayed in touch through Christmas cards, and I so appreciated her updates and good cheer. I'm out of town or I'd be at the visitation and memorial service, which I wish I could attend. I'll be there in spirit. My deepest sympathy to all Pearl's family, especially Lorri and Shari whom I have such great memories watching them grow up. Feel free to contact me at any time. Again, my sympathy, and may the love and support of friends help you through this time of sadness. Diane Carson*
