“ *I will always remember Peg's wit and laugh. She was always finding humor in every day happenings. She had such a giving spirit. One day while I was recovering from surgery, Peg brought a pot roast dinner to me and my family. Not only did she provide dinner she proceeded to clean the place. I'm sure that wasn't the first time she had done something like that or the last. She can rest in peace now. Thank you, Peggy, for all the things you did for others, all the kindnesses that you did without being asked and all the good memories (the laughs we shared!). Will miss you until I join you some day. Nancy Craig (House Springs Middle School 1979-1998)*

A beautiful, warm, loving and sharing friend and neighbor for 54 years. I will always hold precious the memories we shared of so many things....our kids, our joys, our griefs, and our troubles. Dear sweet neighbor, beloved Peggy, I will miss you terribly. Rest in peace my friend.
