“ I am so sorry to hear about the passing of Debbie. I just wanted to share a story about Debbie. When I became a young mother Debbie taught me many valuable tools to make it on my own. She took me around town and showed me the many resources available to help me. I learned so much from her. I have always been appreciative to her for giving me the tools to be successful young parent. She was a kind, loving generous person with a great sense of humor. RIP Debbie.

“ Our hearts are deeply saddened by the loss of our best bud, co-worker, friend, & uncle. Tom always had a way of making us smile, even now when the days are difficult and the nights extremely long, a memory or a photo jumps up and puts things in perspective. He was such a special part of our lives, and the really sad thing is, we don't think he even realized the magnitude of the lives he touched. The calls and messages seem to go on forever. So many have reached out with love and support. Tom, you will be forever in our hearts. We will never be the same again. Our prayers are with your family and all those that loved you so dearly. If there is fishing in Heaven, you'd better get to steppin- Bro!!
