“ *I'm shocked... Rachel, we have not talked since our days at Orchard Farm. You were such a sweet heart. It's been 20+ years. I had something random that reminded me of you and decided to look you up. I can't believe you've been gone nearly 2 years. It makes me so sad.*

“ *Rachel, We only worked together for a while... but your laughter & friendly personality is etched in my mind forever. Any little request my Mom had.. you filled with no question! Thank you for that... You were so beautiful inside and out.. I pray that you are free of pain now. Glad you were a part of my journey here on earth..*
