This was such a shock in our lives to learn of your passing. We love you Rachel and you will forever live in our hearts and memories. You have such a beautiful smile and always lightened up the room when you were around. I'm looking at your pictures in my books and reminded of how you always made us laugh and smile and reminded of what a blessing you've been to so many. My heart breaks knowing you're gone from our world and for those who loved you so very much. You will be missed. Our deepest sympathy. Susan & Mike Presnell and Janet Daugherty

“ *Rachel and I worked together about 10 years ago and she was the first one to introduce herself to me. She was so sweet and helpful and I loved hanging out with her everyday. I am so sad to hear of her passing. She was such a bright light and I can only imagine what a wonderful mom she was. My thoughts and prayers are with her family and her son.*

“ *There's no way in Hell I can sit here and tell you how great of a human being Rachel was if you knew her you know she was just that. Rachel was my soon to be sister in law but that's just a title, she was my sister. She holds a special place in my heart cause if it wasn't for her and my brother Bub being sum of my biggest fans I have no clue as to where I may be in life today. For those of you who know my story know what I mean when I say that she was my biggest fan. She was taken away from us far to soon but not forever as there will be a day when we meet again sister. I love you, we all love you, and you have no need to worry about Jaxson as he is already this little man YOU raised. Much LOVE and until we meet again girl. DEUCES*
