“ *Reba was my best friend, closer than a natural sister. We shared so many good memories and laughs. She always knew how to make me feel better when I was down. We were co-workers and made my job enjoyable. She had such a big heart and always tried to see the best in everyone. I will deeply miss her. She will forever be in my heart. This is not goodbye....just see you later Reba. I love you ❤️*

I didn't see Reba very much but the few times I did, she was so kind and easy to talk to. Prayers for Jim and family.
