“ Richard, I miss you already! I'm glad you are no longer in pain but wish we had more time together. I'll miss us reminiscing about dad and grandma and grandpa. I know we didn't always get along and our lives took different paths but you are my brother and I love you, always have and always will! You are now a guardian angel and can continue watching over mom and Debbie and help all of us find peace in your passing. I love you and will definitely miss your phone call on my “actual” birthday this year. ❤️🙏
