“ *Our condolences to the Barnes family. Brother Barnes will surely be missed. My husband (Roland) and I always looked forward to Fran and Richard's summer stays in northern, New Mexico. We spent a lot of time with both Fran and brother Barnes around our dining room table drinking coffee, eating pie and studying the scriptures. Both saw our three boys grow up. It's sad to loose a brother and sister in Christ but I know that brother Barnes and sister Fran are absolutely in good hands. We will surely miss him as we have missed Fran. Thank you to the Barnes family for sharing your wonderful and loving parents with us. They always had loving words to share about their children. May God bring you peace and comfort during this time of grieving.*

“ We had the pleasure of knowing and visiting with Richard when he would come down to Las Vegas, New Mexico. I loved his funny quick wit, and just sitting there talking with him. We always looked forward to his yearly visits. Richard had impeccable memory and would never forget your name. He was a man of great faith and shared his wisdom. We send our deepest condolences to all his family. He spoke of his children often and with pride. We will miss you dearly Brother Barnes.

Jack, you made an impression on my father too. The flag you sent was diplayed in his room. I asked him where to hang it and he said, "someplace where people will see it and ask"! I loved that. 😊

*Dick was An integral part of our Pendaries family. He taught a Bible class for years and was always ready to lend a hand. I will miss his calm demeanor and quiet wit. I know he is delighted to be in the presence of our Lord and with his beloved Fran.
