“ *Dick was my friend and colleague during our early years of teaching at Crystal City HS. We bachelors shared a basement apartment for two years, during which time he met the love of his life, Carol. He was the Best Man at my wedding, and we continued to be friends, though we did go our separate ways. Always a strong advocate and voice for his education colleagues during his many years of teaching. So many good memories. My sincere condolences to Carol and his family.*
