Richard was a long time resident of Valley Park who was known by family and friends as Dick. He had a great sense of humor, a heart of gold, and was not afraid to tell you what was on his mind! Dick was a great fisherman and storyteller who loved his family. He was committed to his wife Pat, his kids and grandkids. Dick started working at St. Louis Boat and Canoe Company in Valley Park as a teen. He learned everything about the business and eventually bought the business until he retired. Dick was very active with the Valley Park Lions Club. He will be fondly remembered and dearly missed by all who knew and loved him.

“ *We met Dick in November, 2017 when my father-in-law became his roommate. My mother-in-law passed away in late October and the staff felt he and Dick would be a good match. They were so right. They hit it off day one and became good friends. On our visits, we always enjoyed conversations with Dick. They typically centered around Valley Park. We learned some history, how good the fishing was on the Meramec, the number of bars matched the number of churches and the pride he had in his business. Visits just won't be the same without him there and his parting comment every time we left of "be careful out there". My father-in-law, wife and I send our condolences to his family and friends. We too will miss him very much. Tom and Danna Roope with Charlie Polk*

“ Thoughts and prayers to the Menley family. He will be missed. A very good and honest man. He had heart. He always told me I was his favorite Son In Law. Of coarse I was his only Son in Law. So don't know how much weight that carried. I hope Pat was waiting for him when he passed.
