“ My Uncle Rick was so much fun when I was growing up. He and Aunt Sharon lived very near and I have so many good memories of them both.

Uncle Rick always took the time to do things with me and showed me a lot about how to have fun in life and never take things too seriously. He did a lot to help shape me into who I became and how I relate to my kids and grandkids. I wish we could have spent more time together in my adult life, but I will sure miss him.

Aunt Sharon, Tommy, Angie & Kim we love you all and are so sorry, yet relieved that Rick's pain is gone, and know that we will see him again in heaven.

“ I could fill up this book w memories...but I always come back to the fact he LOVED. He truly adored his family...his wife..his children and especially his grandchildren. They all know and can be comforted that this love will be with them forever. I never left the house without a hug and an "I love you girl" and I will treasure the ability to tell him I loved him last night.
