Risa, a vibrant soul who brought joy to every gathering. Her love for her parents knew no bounds, a devotion that radiated from her with a sincerity that touched everyone around her. Affectionately known as Reese's Pieces Butter Cup, Risa's playful nickname reflected her sweet nature and the delight she found in the simple joys of life. As an integral part of Boone Center Inc. in St. Peters, she not only contributed to her workplace but also left an indelible mark on the hearts of her colleagues. Risa will be remembered not just for the roles she cherished, but for the love, laughter, and light she brought to the lives lucky enough to

have known her.

“ I’m a friend of Rita and Richard’s from high school. I’m sorry to hear of Resa’s passing. I was in contact with Rita off and on through the years. She was living in the subdivision connected to mine when Resa was a baby. And then when Lyle was a little guy he spent a weekend with us when his mom and dad went on a little trip. I also remember when Shara and Tara were born. I remember Resa being just as she was described, sweet, energetic and very loving! Please know that my prayers are with you siblings. Resa was blessed to have your love and support. Much love. Carol (Hetzl) Howard
