“ *Imagine my surprise, 15 years ago, when I showed up for my first day at Medco, and Bob Buchanan was in the cubicle across from me. I knew Bob as part of the dynamic duo “Uncle Bob and Aunt Gina” for years before that day. Bob was always a kind soul, with a huge heart, and the sweetest smile. Over those years working together, he teased me about reading my books, and I teased him about typing with 2 fingers. I will really miss Bob, as part of my home and work families. All my love and hugs, Cathee Mayher*
