Vince Burress - December 09, 2013 at 12:00 AM

“ *Dear Lord, today is going to be one of the hardest day of my life. I can't walk through this alone. Please carry me in your arms through this difficult time. Lord, I bring to you my burdens, and you know my situation. You know I can't make it without you. Lord, comfort my heart, give me strength, & help me carry on. My prayers for today is that a whisper of encouragement & a comforting hug be carried by Angels to all those I love, hear and for even to Heaven above. God when I lose hope, help me to remember your love is greater than my disappointment and your plans for my life are better than my dreams. Dad, I will always treasure those last words we talked. As we for gave each other, and as hard as it was to say I love you broke my heart of happiness. I was never so proud of you when you said you would give me away. So in Heaven please watch over me and keep me in your heart as I will you. I love you Dad.
