“ I first met Bob at Kirkwood United Methodist Church. Brought him on as a valuable member of the Finance Committee. I would see Bob many mornings on the bikes at the Kirkwood Y. We would catch up on his family, sports and KUMC. I really liked Bob, he was just an honest nice guy with a quick smile who seemed to like everyone.

I worked with Bob at First Financial Bank in the early 90's and remained friends since. Bob had a contagious sense of humor who could put a smile on anyone in his presence. Classy guy with wit, honor decency were just a few traits of so many he possessed.
