“ Bob visited our Mom to give her Communion for several months, we all loved him, he was always so kind, sweet & caring to all of us. Connie visited also, they are just wonderful, caring people. Our family cannot thank them both enough for all of the times they visited & prayed for Mom. Our deepest sympathy for Connie & the families, he was a treasure, & he looked like our Dad (he passed away in 2019) a lot, so for me it was like getting to "see Dad" for a few minutes each time.. even had some of the same mannerisms. We'll miss you Bob & "Thank you"

“ I am so very sorry for your loss. Bob was a good man. I remember when him and Connie ran the little store in Goldman. We would always walk down there just to see what they had. We never had money. And one of my best memories were when Bob and Connie brought a few American Indian children to live with them. One child was named Julie Fasthorse. She became our friend. Bob always seemed to have this stern look on his face like my father ,but you just had to look him in the eyes. He will be sadly missed.

“ So sorry to hear this. Bob was a good man and was always there to make sure I was ok when I was a young cop...he stopped to check on me regardless if he was on or off duty. Condolences to Connie and the kids.
