“ *I am very sorry to have missed the service. I note that Uncle Bill and his family suggested donations may be made to the Jefferson Memorial Foundation, and I have done so c/o John Winkler at Jefferson Memorial Hospital. I had the pleasure of reading about Uncle Bill at this site, before locating the guest book, and it would seem no one left bigger footprints in Hillsboro -- a place lucky to have been adopted by him so many years ago when he and his bride, my Aunt Pat, made that part of Missouri their new hometown.

“ We will remember Bill as a great neighbor and friend. He and Pat lived on our street even longer than we did. Bill did a great job of making the HHS Marching Band sound good - at least it was announced correctly. LJ
